WINNER 2014, 2015 and 2016! Customer Service from whatclinic.com**

CONSULTATION FREE OF CHARGE.

The consultation process is a time when your medical history will be taken, to ensure that you are suitable for treatment. Recommendations for treatment will be planned.

Brochures will be given to you with further details of the treatment and the costs involved will be discussed.

BOTOX

Relaxes and dramatically improves frown lines, crows feet, transverse forehead lines. Helps soften indented chins and lifts eyebrows. Also can lift the corners of the mouth and soften vertical lip lines. Can also lift tip of nose and tighten jaw line a little.

| | |
|---------|------|
| 1 area | £195 |
| 2 areas | £270 |
| 3 areas | £315 |
| 4 areas | £345 |

The botox prices include a 2 weekly follow up appointment for customers having this for the first time

BELOTERO VOLUME

£330

This is beautiful for gentle volumising of the face and cheeks

DERMAL FILLERS

Fillers naturally and instantly fill out wrinkles. Most areas of the face can be treated. Fillers can fill out lip lines, which are commonly referred to as "smokers lines", frown lines, nose to mouth lines and some types of scars. Fillers can also be used for volumising areas of the face, which have started to sag. Having the cheek area volumised can have wonderful results. Please ask for the brochure for before and after photographs and further information or visit the website, as shown above.

MESOTHERAPY

| | |
|------------------------|------|
| Redensity (1) | £200 |
| Course of 3 treatments | £550 |

An innovative concept treatment between filling injections and mesotherapy, which redensifies your skin deep down and restores its ability to reflect light. This innovation guarantees a uniform and totally natural result. A course of three recommended for fantastic results. This adds hydration to the skin, antioxidants, 2 minerals and 1 vitamin. I call this the luxury product - The finishing touch !

...AND WHEN YOU COMBINE FILLERS AND BOTOX.. SOMETIMES REFERRED TO AS THE 8 – POINT LIFT, OR LIQUID FACE LIFT

Full Face Lift £2000

A Haute Couture treatment result achieved in approx 3 sittings. This includes 7 syringes of a range of filler products to add volume at the correct points. A microcannula is used to ensure minimal bruising, reduced pain and and no downtime. This procedure creates optimisation of the facial contours and beautiful smooth skin. This extensive treatment of the face is more sophisticated in comparison to a classic wrinkle treatment by injection.

Full Face Lift Package £2500

As above, with the addition of amazing yet natural looking botox and chemical peels to ultimately finish off the whole process beautifully.

REJUVENATION OF THE EYE AREA

HOLLYWOOD EYE MAGIC SERUM (15ml) £70

This product INSTANTLY removes puffiness around the lower eye. Natural ingredients. Lasts 12 hours, for day wear.

Belotero Soft £230

A nice soft filler which can be used for crows feet around eyes, and other fine lines.

MAX COMBINATION RESULTS : A combination of botox, belotero and the HEM serum will give maximum eye rejuvenation results. Also using the revitalash / revitabrow products will completely transform this area.

SCLEROTHERAPY: LEGS

A treatment for unsightly broken/spider veins on the legs.

| | |
|------------------------------|------------------------------------|
| Legs one session - half hour | £150 (Half an hour -usually ample) |
| Legs one session - one hour | £210 (Required only if extensive) |

IMPROVING THE QUALITY OF THE SKIN

TCA PEEL – Removes pigmentation and improves ageing skin.

Can be used on face, neck, chest and hands. From £195 4TH SESSION FREE!

DERMAROLLER AND DERMASTAMP WITH ABSORPTION OF BESPOKE SKIN PRODUCTS

FOR MAXIMUM EFFECT – Softens scars, reduces pigmentation, restores firmness and tightness to skin, smoothes wrinkles and lines, improves the appearance of large pores. Face, neck, chest area and hands can all be treated.

From £250, depending how many areas are treated. (This will be discussed prior to any treatment commencing). A course of 3 treatments is recommended at 6 weekly intervals to achieve optimum results.

HOME CARE DERMAROLLER KIT

£80.00

This is an innovative concept to kickstart the skin's ability to synthesise new collagen and smooth out those areas of the face, which are starting to breakdown and lose firmness. This procedure can be started at home easily. (This process also prepares the skin, if you decide to then go on and have a medical dermaroller session).
